December 2022

Dear Friends and Family,

Wishing you a blessed Christmas and a Happy New Year.
It's hard to believe we are finishing up 2022! So many things have happened in our lives and around the world. Our hearts go out to all who are suffering the ugliness of war, the pain of famine, the fear of violence even on our own streets and the various plagues. These are definitely signs of our Lord's return for His Church.

We pray we will get prepared for His Coming by Serving Him, Pleasing Him and Desiring Him more than ever. Also to be careful of Deception. There are so many subtle and deceiving voices in our culture today. May the Holy Spirit keep us on guard.

This has been a good and yet challenging year. Thank God, my three precious daughters, Kathy (Thom), Brenda (Mike), and Heather are doing well, serving the Lord and enjoying their careers. They bless me so much. I'm also loving the various ministries I'm involved with in Vida Church. I was also made a Deaconess this year.

My missions trips have been on hold because there's so much Covid and Dengue Fever in Cuba. Also, their supplies of food, gasoline, electricity, etc. are so limited. Life is terribly difficult for them these days. Please keep them in your prayers. I continue to support 12 pastors a month and keep in good contact with them. I turned 78 in June and am so gratetful to the Lord for life, family and ministry. God has been so wonderful!

Living in Century Village is good. I'm active with the Jewish Community and love the Rabbi's classes every week. I learn a lot and try to be a light as well. I also have several dear friends here.

I had some difficult months this year with my thyroid. I lost my appetite and went down to 100 lbs. Thank the Lord the Dr. finally got the meds right and I'm eating again.

I'm also so grateful for all of you who have faithfully loved and supported me through the years. May you be very blessed at this season of remembering our Saviour's birth and as you seek the Lord for His will in your life for 2023.

Lots of love from my family to yours,

Lucille Faust
